

INSTRUCTIONS FOR:

- Basic-Flo
- Cam-Flo
- City-Flo
- Hi-Cap
- Hi-Flo
- Standard-Flo

STORAGE INSTRUCTIONS

- Store in a dry and frost-protected place
- Avoid direct sunlight
- Do not store filter above 40°C
- City-Flo contains carbon media and must be kept in a plastic bag and a box to avoid exposure to humidity and contamination
- Recommended maximum shelf time for City-Flo is 12 months and for the other bag filter is 24 months.

HANDLING INSTRUCTIONS

- Filter media is sensitive and should be handled with care
- When unpacking from box: lift filter carefully by the frame and not by the media
- Keep filter in box as long as possible before installation to avoid damage

INSTALLATION INSTRUCTIONS

- Install filter with vertical (upright) pockets - in accordance with VDI 6022
- Make sure media is not caught by sharp edges or torn by details in units, and that pockets have not been pinched
- Add a gasket if needed to avoid leakage

FILTER CHANGE

- Camfil recommends protective equipment like overalls, gloves and face masks
- Always check local regulations before changing filters

MAINTENANCE INSTRUCTIONS

- Filters for one time installation only
- Do not reuse, wash or clean filters
- Used filters should be disposed of in accordance with local regulations
