Advantages

- Two-in-one performance - keeps out water and dirt
- Media bonded to the frame to eliminate air bypass
- Large media surface.
- A multi-layered noncellulose media, repels water, captures dust, lint, pollen and other particulate contaminants
- Water resistant beverage board frame

Application: Primary filter for medium efficiency applications
Type: Pleated Panel
Frame: Rigid water resistant cardboard
Media: Glass fiber
Rec. final pressure drop acc. EN 13053: 250 Pa
Mounting/Frames: Holding frames: Front and side access housings and frames are available, Type 8 and FC Housings.
Fire rating: UL 900
